High Gear Rewards Program 2017

Shift your
performance into
high gear with our
new
rewards program

Starting April 1st, we're
offering new rewards:

- Earn back Incentive Program
- Saab Technical Assistance Center
- Improved Pricing Opportunity

Earn back Program*

3% of your monthly qualifying purchases (5% if you reach your monthly goal) can be put towards:

- The Newly Enhanced Saab Gear Store
- The Saab Technical Assistance Center

**You must purchase at least \$750/month to qualify (minimum purchase subject to change). Your percentage does not include oil, battery, or tire sales, but sales of these items do contribute to your monthly goal and eligibility for a more competitive price level. In order to redeem rewards, you must have earned enough through our Earn back program to cover the entire value; you cannot purchase the items. Saab official merchandise can be purchased with earned store credit and/or cash. Your Earn back credit can be used to defray the cost of our technical assistance center, which can be found on the Saab Gear site. Program subject to change.*

NOTE: you are eligible for more competitive pricing when your quarterly purchase is \$6,000/order or more – see last page for more details

Saab Technical Assistance Center

At \$125/30 days*, you'll have access to comprehensive support for service and parts applications, such as:

- Access to Saab Technical Assistance: 1-855-722-2762x3 or tac.us@orio.com
- Technical support for Security Access and Module Programming
- Technical support for diagnostic tools: Tech2, CANdi, MDI
- Orio website support
- Basic software support
- Saab specific technical bulletins

**Price subject to change. Program subject to change.*

Saab Technical Assistance Center (cont.)*

Apart from the technical support features we offer, you can also purchase weekly, monthly, or yearly subscriptions for EPSI Portal IT support services. This program is sold separately from the Saab Technical Assistance Center and is not included in the \$125/30 days price. To learn more about the EPSI subscription offers or to register, go to the [EPSI Portal website](#).

**Program subject to change.*
